PARTICIPATION

FROM €75

For this international youth tournament, a fee of 75 euros will be charged as organisation and refereeing costs.

The matches will be officiated by referees from the KNVB (Royal Dutch Football Association), who are therefore qualified to officiate the matches.

Fair-play is paramount and a prize will therefore be awarded in each age category.

AT LEAST 6 MATCHES

The tournament will be played on Saturday 15 and Sunday 16 June 2024.

On both playing days, there will be 3 matches of minimum 20 - and maximum 30 minutes. (This depends on the number of participating teams in each category).

On Saturday and Sunday, you play in day parts. You play either in the morning, or in the afternoon, so you can do other activities besides the tournament.

On Saturday, pool matches will be completed and on Sunday, the best from each pool will face each other to compete in 3 matches for the fantastic HERMES-DVS YOUTH CUP.

The teams with lesser results on Saturday will also play 3 matches on Sunday for a well-defined place.

With the tournament's tournify app, you can follow every day what will happen during this event.

INFORMATION

Two weeks before the tournament starts, all information will be sent by e-mail.

That means: the tournament schedule (also available on the tournify app) for Saturday and Sunday, regulations, information about the playing location in Schiedam, the list of players to fill in and, if you have booked accommodation, also extra information about the accommodation.

Please note: per team, 3 dispensation players, one year older than the age group indicated, are allowed.

PLAY URBAN CITY FOOTGOLF IN DOWNTOWN SCHIEDAM

Urban Footgolf, the name gives it away a bit, of course. It is footgolfing, but not on a golf course but through the streets of a city!

In this case through the beautiful historic part of Schiedam. With over 9 holes and an hour and a half of fun with both easy and difficult holes, this is a fun activity through the streets of Schiedam for everyone.

PLAY BUBBLE FOOTBALL

Bubble football, or bumper football is a variant within football where everyone sits in an inflatable (bumper) suit. The playing principle of a football match remains the same, but there are no rules and everything is allowed.

Hilarity and fun are paramount in this game! If you are interested, please contact us!
